

The 5 biggest HR tech trends coming your way this year

From adopting gig economy best practices to expanding the use of AI, here are the top 5 HR tech trends to look out for in 2022.

As we approach the end of the first full calendar year of living and working in a global pandemic, HR leaders will need to adopt technology in new ways to face continuing challenges with hybrid work, vaccine mandates and the Great Resignation. Click [here](#) to read more about the top five HR tech trends to look out for in 2022.
