

Citrix All-Access Learning Subscriptions

Our NEW Citrix All-Access Learning Subscription offers more value, choice, relevance, convenience, and ease of use than ever! By including the same content from our Instructor-led Training courses in an eLearning format – you'll be able to prepare for any role or Citrix Certification exam at your own pace.

Learn at your own pace

24/7 unlimited access to all Citrix eLearning courses and Hands-on Labs

Sharpen your skills

Included vouchers for taking Citrix certification exams

Solve problems fast

One-on-one access to Citrix Certified Instructors during virtual office hours

Citrix All-Access Learning Subscription

The best solution to train your SELF on all things Citrix

24/7 unlimited access to all Citrix eLearning courses and labs: Access the same content, Hands-on Labs, and course materials provided in our instructor-led courses in an easy-to-follow, self-paced format that you can consume at your leisure.

In-depth certification preparation and exam vouchers: Use the full suite of eLearning resources to prepare for certification exams. With three included exam vouchers, take the same exam more than once or take a different exam each time. The choice is yours.

Unlimited one-on-one access to Citrix Certified Instructors: Request one-on-one consultations with a Citrix Certified Instructor whenever you feel the need to. Once your request is approved, our instructors will answer your questions on course content, products or technologies, or the lab environment. You'll get all the benefits of classroom instruction on your own schedule.

Price: \$7,000/yr*

*Price will vary by region/geo and channel.

Citrix All-Access Group Learning Subscription

The best solution to train your TEAM on all things Citrix

24/7 unlimited access to all Citrix eLearning courses and labs: Access for 10 people to a full year of our Citrix eLearning catalog—at a volume discount of 50% per user. Your team will receive access to the same content, Hands-on Labs, and course materials provided in our instructor-led training courses - in an easy-to-follow, self-paced format they can consume on demand.

In-depth certification preparation and exam vouchers: All the resources your team needs to prepare for and take Citrix certification exams. These include targeted preparatory courses with associated video content, practical experience using Hands-on Labs, course manuals, and more! You'll also get a pool of 30 exam vouchers that can be distributed among of your team members as needed to support your training and certification strategy.

Unlimited one-on-one access to Citrix Certified Instructors: Your team will be able to request one-on-one consultations with a Citrix Certified Instructor. Once a request is approved, our instructors will answer questions about course content, products or technologies, or the lab environment. They can also share leading practices and describe real-life scenarios for applying the knowledge your team has acquired.

Unified administrative dashboard for oversight, reporting, and insights: Ensure your team is properly trained and certified to manage your Citrix environment. Our unified administrative dashboard makes it easy to view, track, and report on training activities and accomplishments so you are confident each team is gaining maximum value.
