

Citrix Education eLearning Platform

The new Citrix eLearning Platform is more engaging and flexible than ever. It offers a self-driven, on-demand experience that includes bite-sized modules, interactive videos featuring our technical experts, knowledge checkpoints, and hands-on labs.

Learn at your own pace

- tailor your learning to fit your schedule

Sharpen your skills

- get real world practice with Hands-on Labs*

Solve problems fast

- access content 24/7 on-demand when you need it

*Available for purchase. Not included in the Select eLearning Subscription.

3 Ways to Access:

Select eLearning Subscription

- Included as a benefit of Select Customer Success Services subscription – look for the 'CSS-Included Access' icon on the website to view included content
- Unlimited access to Select Introductory/Intermediate eLearning content*
- Must have an active Customer Success Services entitlement

* Excludes Advanced content

* Excludes hands-on labs, eLearning on products not part of Select support entitlement (such as SD-WAN and ShareFile), or Workshops

How?

If you have an active Customer Success Services entitlement, simply log-in to elearning.citrix.com with your Citrix account credentials and you will automatically have access to the content. An individual must be listed as a technical contact on the account in order to have access. To manage your account, reference this [article](#). For more help getting started, read the [CSS Select Onboarding Guide](#).

If you continue to experience access issues, please submit a [Support Ticket](#). If you aren't a part of Customer Success Services, find out more [here](#).

Premium eLearning Subscription

- Unlimited access to content*
- Access to hands-on labs
- Access to new and regularly updated content
- 1 Year access from the date of purchase

* Does not include Workshops

* Professional Services Training for Partners only

How?

Purchase online [here](#).
\$1,200/year

Pay-as-you-go

- Purchase bundles of content and hands-on labs as an alternative to an annual subscription
- Unlock bundles using tokens, which can be purchased on the eLearning website. Tokens can be redeemed to instantly unlock access at any time
- Once purchased, the content within the bundle is accessible for 30-days from the purchase date

How?

Purchase tokens online [here](#). Then, navigate to the topic you'd like to learn, confirm you'd like to cash in your tokens, and launch the content.

Prices start at \$500/bundle
