

Fast-track your Organization to Specialization with **Partner Services Bundles**

Self-paced packages to get your Specialization, faster and cheaper

\$4,800
Per Organization

One price to unlock:

Unlimited Exams

Practicum

Premium eLearning with Labs*

Service Delivery Kits

* In addition to eLearning, Instructor Led Training (ILT) is recommended in preparation for Professional and Expert-level exams

Looking to get certified and earn more incentives? Need to re-certify or specialize? We've got you covered—just pick the bundle that is right for you!

Citrix is offering annual subscription-based offerings which allow you to select the training you need - when you need it – all wrapped in a single, easy-to-consume bundle. The offerings focus on key trainings and resources for our partners to develop the right skills, achieve the required certification(s) and/or specialization(s) and retain partner status based on current standing, level and need.

With this offering, you can work towards becoming a Certified Services Delivery Partner. Obtaining this certification will provide you the chance to join Citrix Consulting's Virtual Bench and receive white-label business through Citrix Consulting.
