

CITRIX®

Work from
anywhere on
your mobile
device

Easily and securely access all your corporate apps and files from any device. It's easy to get started.

Because we understand that every device is used for personal and company use and that you expect privacy, here is an overview of what can and can't be seen using the new software.

What an employer can see:

- Carrier and country
- Phone number
- Battery level
- Make, model, OS version
- Complete list of corporate managed apps
- Storage capacity and use
- Device identifiers (eg. IMEI)
- Location of device (opt-in for the end user)
- Corporate email and attachments

What an employer cannot see:

- Information in apps
- Personal email and attachments
- Videos
- Texts
- Photos
- Personal Web browsing activity
- Voicemails
- Contacts
