

Citrix Ready Program Benefits Matrix

Citrix Ready is a technology partner program that verifies the compatibility of products that are trusted to enhance Citrix solutions for app virtualization, VDI, networking, mobility, file sync and share, and Citrix Cloud services.

A showcase for your product or solution

Citrix Ready offers you an opportunity to showcase your products to 330,000 Citrix customers and 10,000 resellers. Join now, to feature your solutions on the largest Marketplace for Citrix compatible products.

Integration with Citrix products

The Citrix Ready Program helps you integrate and test your products with Citrix technology. The Citrix Ready designation is awarded to third-party partners that have successfully met test criteria set by Citrix, giving customers added confidence in the compatibility of the joint solution.

Marketing, technical, and training resources

Get access to a broad variety of technical, marketing and training resources to help you promote, market and sell your joint solutions.

Citrix Ready offers an innovative collection of sales, technology and marketing programs designed to showcase and recommend your Citrix-compatible products and solutions. **The program offers membership at three levels: Access, Plus and Premier.**
